

Jon, Doug & Tina,

I can't thank you  
all enough for the  
work you all put in and  
the support you have  
given me along the way.  
I feel so very thankful  
to have met you all  
and hope you know  
how appreciative I  
am to be able to  
close this chapter of

my life and move  
forward. Thank you  
for encouraging me,  
supporting me and  
believing me. I'm  
forever grateful for  
your team.

Thank you!
